

What is Peachjar?

In the past, our school sent home paper flyers in students' backpacks. As part of our efforts to be more environmentally friendly, to embrace innovative technology, and to reach more families, NVS is transitioning from paper to a digital flyer delivery method using the company Peachjar. As of February 28, 2018, Peachjar eflyers may be sent directly to parents'/guardians' email inboxes. Eflyers will also be posted on school website for easy access by clicking on the Peachjar logo. Each year, our school will save paper and reduce significant dollars in copy costs. In addition, paperless delivery of school flyers removes an administrative burden from teachers, and office staff. School approved eflyers will keep parents/guardians informed about upcoming school activities, programs, and events.

NVS can also post approved community events via the Peachjar link. These flyers must be NVS approved and be accordance with NVS policies and procedures.
